By Daniel J. Hassing Statutory interpretation is a matter that courts wrestle with on a daily basis. In some cases, it is easy and the text of the statute leads to a clear answer when applied to the facts of a case. In other cases, courts are left wondering what legislatures intended when they drafted the law.

First, the interpretation of the Scriptures is a religious experience, not simply an intellectual one. When confronted with the Scriptures we must be willing to surrender our preconceived ideas and submit to its message. Second, interpreting the Scriptures is also an intellectually enriching experience. The Spirit does not bypass our rationality.
