Some say podcasts may eventually replace books, but it turns out podcasts and books can coexist. There are so many book podcasts now that are hosted by authors to promote their past and future works. There are also podcasts set up by book clubs which share previews, plot or any interesting details about bestselling fiction and non-fiction books.

Should I write a book or start a blog? We recently got this question from a reader: 'Many people in my life have told me that I should write a book. It seems to be a theme! At first, I thought they were simply being kind but for some reason or another, people actually WANT to hear what I have to say and God has used the things I have written or said to encourage many believers and nonbelievers.
