science, physical science, and earth and space science), for the middle grades, courses are taught in 11 topical modules.

ScienceFusion

Science Fusion encourages students to fully engage with the fundamental steps of science: inquiring, thinking, predicting, analyzing, and applying. Students will think critically and use their reasoning skills as they learn new content, applying what they've learned to online content, activities, and labs. The Write-In Student Text uses a magazine-like format to engage students in their lessons.
