feel that I am on talking terms with the dogs. And that gives me a good feeling, just like the childhood dream about talking to animals. Thank you Vesla, for all you taught me, it changed my life. Vesla's Story 1 2. The occasion was "Animals and Us," the Sixth International

On Talking Terms with Dogs, or "Calming Signals" as it is affectionately referred to by readers, aims to help us better understand our beloved dogs. Pet owners, sports competitors, dog trainers, shelter workers, groomers and all other canine professionals can easily benefit from learning 'dog-speak'. Understanding what your dog is trying to tell you lets you know when you can keep pushing, and when you should start pulling back.

On Talking Terms With Dogs: Calming Signals - Review ...

Wolves and dogs use body language to communicate a variety of things, and calming or cutoff signals are intended to stop aggressive behavior before it starts, or to break up a fight. Dogs use these techniques both to calm themselves down in a stressful situation, as well as when communicating with other dogs and us humans.
