organization i.e. the management of men. In one nutshell, we can say human resource management deals with human being as a resource in production activity rather than an employee.

## **Difference between Personnel Management and Human Resource**

...

The trend has undoubtedly caused the management of human resources to take on new strategic significance. There is however some suggestion that initiatives taken to manage human resources strategically are originating with chief executives and line management. Personnel management, it is argued, has been and continues to be in 'decline'.
