Water From A Deep Well

Water From a Deep

Read PDF Water From A Deep Well

Well is a good book for a time when some evangelicals seem intent on de-rooting themselves from their family tree. (Matthew P. Ristuccia, WORLD Magazine, Nov. 29/Dec 6, 2008) Even if we cannot be a Saint Francis or a monk, there are lessons to be learned from reading about our predecessors in the Christian faith.

Well: Christian Spirituality from Early ...

Water From a Deep
Well: Christian
Spirituality From Early
Martyrs to Modern
Missionaries (2007,
IVP) by Gerald Sittser
was an excellent book,
but perhaps a bit
difficult to classify. It is
part church history,
part Christian
spirituality, and part
practical living.

In low yielding rock formations the well may have to be drilled deep enough to serve as a storage cavity for ground water. Once a well is drilled, the total depth, depth to the top of the ground water table (static level) and diameter of the well determine how much water will be stored within the well cavity.
