website. The new Vintage Classics edition is striking, as book covers should be, and enticed me towards an author I hadn't heard of before.

### **Secluded Charm: Book Review: Westwood by Stella Gibbons**

Westwood - Stella Gibbons 'Westwood' turned out to be a bit of a reading journey for me - it looks quite innocent but at 448 pages there's a lot in there to think about. First published in 1946 but set during the latter years of the war this is, apparently, the book that Stella Gibbons was proudest of.
